

LINCOLN PARK NORTH PLAY AREA RENOVATIONS

Seattle Parks and Recreation is renovating the north play area at Lincoln Park. Please join the in-house landscape architect and project manager at this public meeting to review and provide input on the preferred design and play equipment options.

Thank you to all who attended the first meeting in November. Your ideas, comments and recommendations assisted us with creating the preferred design that will be presented at this meeting.

This project will replace play equipment, provide access improvements to the play area and improve other features at the park. The scope of these projects provides improvements to bring the play area into compliance with current play area safety standards and Americans with Disabilities Act (ADA) access.

**PUBLIC
MEETING**

**TUESDAY, FEBRUARY 2, 2016
6:30 – 8 P.M.**
